

Designhill
has created
1-to-1
projects

Designhill has created a 1-to-1 projects as a place for business owners to directly approach graphic designers, make payments and exchange deliverables all in one convenient location.

The main benefit of signing up on Designhill is that business owners can work with the best graphic designers in the world anytime anywhere. They can chat directly with designers, finalise a price for their services and complete transactions in a safe and secure manner.

Benefits for Business Owners:

1 Professional Designers -

All the designers are handpicked and curated by our Design Experts, so you only work with trusted and professional graphic designers.

TIME IS MONEY

designhill

2 Choice -

You can select from over 28000 designers after reviewing their portfolios and expertise on specific design skills like website designs, t-shirt designs, logo designs, etc.

designhill

3 Price Flexibility -

Negotiate and finalise terms your project directly with the designers.

designhill

4 Security of work and money -

Payments are withheld by Designhill till the time the project is over and are only remitted to the designers once the final source files are transferred to the clients.

designhill

5 Hassle free communication -

You can see the entire work progress, review designs and send designers feedback accordingly. No need to send emails to and forth. Everything happens in the most simplified manner on our platform.

designhill

6 One stop shop -

Clients can get multiple designs by launching a single one to one project.

designhill

7 Invoicing & Payments -

Our system will take care of all the invoicing related issues. All payments are completely secure as they are made to Designhill and in your control, so you can choose to make part payments or in full as per the terms agreed with the designer.

designhill

8 24X7 Support -

Designhill provides all its customer 24x7 support which is free of cost and will help you get the best out of the entire process.

designhill

9 Complete Designer Focus -

Designer will show full confidence on you and will be completely focused on his work as their payments are securely deposited with Designhill.
